

TRAINING POLICY

All State Investment Board (SIB) members may attend seminars and conferences in an official capacity. The SIB will pay for training and travel expenses when Board members attend training and seminars upon approval and in accordance with the Board Member Education Policy, adopted by the Board (Policy 2.00.200).

Board staff will provide a schedule of education opportunities each year.

APPROVALS

The Board Chair will approve requests for Board members, the executive director will approve requests for the Board Chair. The availability of funds will automatically be checked by the SIB staff when a member requests enrollment or registrations. Should there be a shortage of available funds, the member will be so notified, and this will be reported to the Administrative Committee for review.

EXCEPTION APPROVALS

When a Board member requests registration for a class or conference in excess of four per year, the request for approval must be presented to the Administrative Committee for action.
